Sommario/riassunto	When the biggest blizzard in years sweeps across their farm, Reuben and his five sisters, his parents, and his grandfather all face new adventures and challenges. But the loss of electricity doesn't affect his family since they never had any. And when their neighbor man can't get his car out to take his wife to the hospital, Reuben and his father come to the rescue with their sleigh. This revised edition features updated text and newly designed pages. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers--picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
