|    | Sommario/riassunto      | When a teenage boy dies suspiciously on Halloween, chief of police |

John Rafferty suspects it may be linked to the triple homicide twenty-five years earlier involving three descendants of Salem Witch Trial victims.

When a teenage boy dies suspiciously on Halloween night, Salem's chief of police, John Rafferty wonders if there is a connection between his death and a notorious cold case, a triple homicide dubbed "The Goddess Murders," in which three young women, all descended from accused Salem witches, were slashed on Halloween night in 1989. He finds unexpected help in Callie Cahill, the daughter of one of the victims newly returned to town. If they cannot discover what truly happened, will evil rise again?
