Sommario/riassunto	Transformation is the goal of this book which can take time and intention. To make the concept easy, Linda designed the book to include: - A quote from someone famous that you may respect. - An expansion of the quote's concept as it relates to business by referral. - Exercises that can cause specific actions that will embed the concept on deeper level into your lifestyle. If you follow these steps is no doubt in my mind that your goal of transformation will be achieved. You will earn more money and attain sure confidence that your business will continue to expand
