   Sommario/riassunto   An introduction to the fundamental philosophical issues raised by the
                        contemporary practice of design. It offers a broad perspective, ranging
                        across key philosophical areas such as aesthetics, epistemology,
                        metaphysics and ethics.
