## Sommario/riassunto

Fully revised and updated, the second edition of this popular text provides students with a comprehensive introduction to Latino participation in US politics. Focusing on six Latino groups - Mexicans, Puerto Ricans, Cubans, Dominicans, Salvadorans, and Guatemalans - the book explores the migration history of each group and shows how that experience has been affected by US foreign policy and economic interests in each country of origin. The political status of Latinos on arrival in the United States, including their civil rights, employment opportunities, and political incorporation, is then ex
