| Sommario/riassunto | "In this seductive new novel from the New York Times bestselling author of Falling in Deeper, mixing business with pleasure can be a dangerous proposition... Jolie Quinn is a woman in charge. Her no-nonsense attitude has made her a rising star in the fashion world and her brand a household name among the Dallas elite. Nothing will stop her from achieving her goals--not even the gorgeous British security contractor who seems just as interested in seeing her personal assets as he is in protecting her professional ones. After a tragedy left him broken, Heath Powell made a rule of staying unattached. But Jolie challenges him in a way he can't ignore, and he isn't used to backing down from a confrontation--especially when the reward for winning could feel so good. As passion blazes between them, the stubborn, confident beauty arouses more than his desire. She touches his heart. When a mysterious enemy threatens Jolie and her company, Heath is the only person Jolie can trust to help. But working with him to save her business might put her dangerously at risk of falling in love... MATURE CONTENT"-- |
