Sommario/riassunto	<p>Her breath rose and fell in fearful gasps but it was too late. She could already see what she dreaded most. The back seat was empty. Bye, bye, Mummy. When a devoted teacher goes missing under suspicious circumstances and an actor is murdered at a local reservoir there's no obvious link between the cases. But as DI Robyn Carter starts to delve deeper, her investigations lead her to Abigail, perfect wife and mother to beautiful little Izzy. What was Abigail's connection to the victims? And why is she receiving threatening messages from an anonymous number? Robyn's instincts tell her there's a connection between these deaths, that it's personal, but the last time she acted on impulse her fiancé was killed. To break this case and earn her place back on the force, she must learn to trust herself again – and fast. As she inches closer to the truth, Izzy is abducted. Unless she can get to the killer in time, a little girl will die. Gripping, fast paced and nailbitingly tense, this serial killer thriller will chill you to the bone. Perfect for fans of Angela Marsons, Rachel Abbott and Karin Slaughter.</p>
