Nota di bibliografia	Includes bibliographical references at the end of each chapters and index.
Nota di contenuto	pt. 1. Anthropology -- pt. 2. Psychology -- pt. 3. Humanities : religious studies and the arts.
Sommario/riassunto	Mary Douglas's seminal work <i>Purity and Danger</i> (Routledge, 1966) continues to be indispensable reading for both students and scholars today. Marking the 50th anniversary of Douglas's classic, the present volume sheds fresh light upon themes raised by Douglas by drawing on recent developments in the social sciences and humanities, as well as current empirical research. In presenting new perspectives on the topic of purity and impurity, the volume integrates work in anthropology and sociology with contemporary ideas from religious studies, cognitive science and the arts. Containing contributions from both established and emerging scholars, including protegees of Douglas herself, <i>Purity and Danger Now</i> is an essential volume for those working on purity and impurity across the full spectrum of the social sciences and humanities.
