Sommario/riassunto	<p>A gripping novel about the kind of love that never lets go, and the heart's capacity to remember, from the New York Times bestselling author of <i>Blackberry Winter</i> and <i>The Violets of March</i>. Enjoying a romantic candlelit dinner with her fiancé, Ryan, at one of Seattle's chicest restaurants, Kailey Crain can't believe her good fortune: She has a great job as a journalist and is now engaged to a guy who is perfect in nearly every way. As she and Ryan leave the restaurant, Kailey spies a thin, bearded homeless man on the sidewalk. She approaches him to offer up her bag of leftovers, and is stunned when their eyes meet, then stricken to her very core: The man is the love of her life, Cade McAllister. When Kailey met Cade ten years ago, their attraction was immediate and intense—everything connected and felt right. But it all ended suddenly, leaving Kailey devastated. Now the poor soul on the street is a faded version of her former beloved: His weathered and weary face is as handsome as Kailey remembers, but his mind has suffered in the intervening years. Over the next few weeks, Kailey helps Cade begin to piece his life together, something she initially keeps from Ryan. As she revisits her long-ago relationship, Kailey realizes that she must decide exactly what—and whom—she wants. Alternating between the past and the present, <i>Always</i> is a beautifully unfolding</p>
