Sommario/riassunto	When a magic crystal is released by the retreating Susitna Glacier in Alaska, and the Dark Orb is unearthed by the flooding of New Orleans in the aftermath of Hurricane Katrina, an ancient battle, brought to earth twelve thousand years ago, is rekindled. Rahlys, disillusioned with urban life, the commercial use of her artistic talent, and an unfaithful boyfriend, returns to Alaska and purchases Trapper Bean's log cabin in the pristine wilderness of the Northern Susitna Valley, seeking peace and solitude to paint. Peace and solitude are challenged when a raven, formerly tamed by Trapper Bean, brings Rahlys a strange crystal that glows softly from within with multi-colored light. When Rahlys takes possession of the crystal, she takes possession of Sorceress Anthya's powers, and a classic struggle between good and evil unfolds. Filled with the natural beauty and magic that is Alaska, Crystalline Aura

compels us to believe in the unbelievable, and in the magic within ourselves.
