Sommario/riassunto

Darlene Miller has a second book about the RV lifestyle which is full of amusing anecdotes, jokes, adventures and chuckhole experiences while traveling throughout the USA and Canada. It includes stories about the search for the white Kermodei bear in British Columbia; how to stay in touch with your grandchildren while traveling and bond with other RVers while parked in the desert around Quartzsite, Arizona. Guest contributors write about the quest for New Mexican chilies; what happens when the windshield breaks in the middle of traffic on the San Francisco Bay Bridge; or how to RV when you are born with no mechanical genes.
