Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Frank and passionate discourse on and analysis of Mexican political system from second half of 20th century to present. This work brings together many of Meyer's observations on roots and persistence of corruption in contemporary Mexico and explores nexus between economic interests and party politics in context of extreme disparity of wealth distribution in country. Texts provide much-need explanation of failed democratic transition in Mexico. Meyer is internationally renowned political scholar/historian and influential political commentator.
