Note generali	Description based upon print version of record.
Sommario/riassunto	Children often have a difficult time waiting for things. This fictional story takes your children back in time, as we spend a day with little Jesus and his best friends, and how they help each other learn to wait, trust, and have faith. The kids in this story learn to have faith that God will give them what they hoped for, a donkey ride, even though unexpected circumstances get in the way.
