| Nota di bibliografia    | Includes bibliographical references and index.   |
| Nota di contenuto       | Anatomy of a riot: vulnerable male bodies in Manto and other fictions -- The violence of memory: women's re-narrations of the partition -- Atrocious encounters: caste violence and state violence -- "Are you a man?": performing naked in India -- "This is not a performance!": public mourning and visual spectacle in Kashmir -- Epilogue: the violence of the oppressed. |
| Sommario/riassunto      | This work shows how 1947 marked the beginning of a history of politicized animosity associated with the differing ideas of "India" held by communities and in regions on one hand, and by the political-military Indian state on the other.  |

| Sommario/riassunto      | Key Concepts in Operations Management is one of a range of comprehensive glossaries with entries arranged alphabetically for easy reference. All major concepts, terms, theories and theorists are incorporated and cross-referenced. Additional reading and Internet research opportunities are identified. More complex terminology is made clearer with numerous diagrams and illustrations. With almost 600 key terms defined, the book represents a comprehensive must-have reference for anyone studying a business-related course or those simply wishing to understand what operations management is all about. It will be especially useful as a revision aid. |
