| Sommario/riassunto      | "Ben Franklin is sad. No one has time to fly kites with him today. Betsy Ross is busy sewing a flag. Alexander Hamilton is busy counting money... Will things change for Ben when he reaches Independence Hall? The first volume of this new board-book series takes a tongue-in-cheek look at American history to introduce the youngest historians to some of the most prominent characters during our nation's exciting beginning. Readers will love the amusing story, and biographies in the back of the book will ensure they'll learn even more along the way"--<br>Provided by publisher. |
