Nota di contenuto	Salafism and purity: natural bedfellows -- Purity and the search for meaning -- En route to purity -- Charting Egypt's Salafi map -- Ritual purity in Cairene Salafi settings -- Pure bodies, purer hearts -- Surface dirt -- The purest pearls -- Salafism after the uprisings -- End of the liminal era? -- Coalitions, Copts and costa Salafis.
Sommario/riassunto	Since 9/11, Salafism has attracted a great deal of attention from the world's media, which predominantly focuses on its potential for revolutionary violence. Salafism remains poorly understood both in Western media, where it is now the focus of considerable debate, and in Western academia, where until recently it was virtually undiscussed. In neither arena has a consensus emerged regarding what Salafism is or does. This pioneering work fills this lacuna by redirecting the reader towards the sphere of ritual practice, within which the discussions of contemporary Salafi scholars prove

Voices from the Outside: How Non-Advocates view Advocacy and How Advocates Address Social, Cultural and Spiritual Support Needs -- Chapter 6. Harmonised Voices: Advocacy Practice in the Context of Virtue and Spirituality -- Chapter 7. Spirit of Advocacy.
Sommario/riassunto	This book explores the profession of independent advocacy through a history of the practice, and provides an empirical study of its emergence in London. While advocacy has long been associated with professions such as social work and mental health nursing, this book

delivers a unique perspective of advocacy through the lens of faith and culture. Using real life examples and insights from service users, advocates and spiritual care practitioners in the advocacy and chaplaincy sectors, the fascinating results offer proposals for enhanced theory, training and practice in independent advocacy. It will be of great interest for students and professionals engaged in advocacy or spiritual care.
