Sommario/riassunto	Sequel to Dreamlands Dreamlands: Book Two Although Inuzaka Keno has found freedom and love in the Dreamlands with oni Samojirou Aboshi, the war is still raging between The Trust's battle-hardened recruits and the demons of his new home. While cloaked in shadows and magic, powerful people are using Keno, Aboshi, and their Lord Tamazusa as pawns in a deadly plan to rule both worlds. They're not alone: soldiers Mason, Wolf, and McGann--Keno's friends from The Trust--also find themselves embroiled in the battle spreading through the Dreamlands, involving its other lands and cultures. If they're to have any chance to survive, Aboshi will have to leave his love to protect him, and Keno will have to find the power within himself to live on without his heart.
