Sommario/riassunto	"After two years in the Seattle Police Department, homicide detective Alice Madison has finally found a measure of peace she has never known before--a sense of belonging. When a local burglary escalates into a gruesome murder, Madison takes charge of the investigation, only to discover that this is no ordinary killing. She finds herself tracking a serial assassin who has haunted the city for years--and whose brutality is the stuff of legend among the super-max prisons of the Pacific Northwest. As she delves deeper into the case, Madison learns that the widow of one of the victims is being stalked--is the killer poised to strike again? As pressures mount, Madison will stop at nothing to save the next innocent victim. even if it means playing a killer's endgame by presenting herself as the bait"--
