| Sommario/riassunto      | Staff Sergeant Tyler Benson is a survivor. He doesn't give up on what he wants, and right now, he wants Cassandra Stephanopolous. He thought about her every single day he was gone. Now that he's back, nothing |

will stop him from making her his. Plan of Action: Crash Seattle's biggest billionaire-bachelorette auction and make sure he comes out the highest bidder. If he wins a date with Cassie, she'll have to talk to him. Three years. It's been three years since Cassie said goodbye to Tyler, and she's been trying to pick up the pieces ever since. Just as she's starting to feel ready to move on, he walks in, all cocky smiles and blue-collar charm. She's determined to keep her focus where it should be: on her thriving jewelry business. But as he lays siege to her heart, she wonders just how long her defenses will last . . .
