Sommario/riassunto	<p>Sequel to Triane's Son Fighting Bitter Moon Saga: Book Four From the moment Torrant Shadow realized Consort Rath murdered his family, he's lived a dual identity: a healer and poet by nature, a predator out of necessity. It's not just exhausting, it's perilous. In the deadly city of Dueance, Torrant must succeed in both lives, because while the predator may save the Goddess's folk from Rath's brutal policies, it is the poet who will sway the minds of the people to revolt against the oppressive government. As his cause falters, Torrant finds his worst nightmares come to pass as the people he loves most--his family from Eiran, his former lovers, and his moon-destined, Yarri--all come to his aid, despite the danger. They must succeed--there is no other option. If they fail, Rath will eliminate joy from the heart of the lands of the three moons, and all that Torrant and his family cherish will be lost. But success could exact devastating cost, one Triane's Son was never prepared to pay.</p>
