Sommario/riassunto	In this middle grade novel for girls, eleven year-old Lola Zola tries to support her laid-off parents and tuxedo cat Bowzer by selling "magical" lemonade rumored to zap wrinkles and promote world peace. Trouble arises when her rich class rival, Buck, aka Slime Bucket, opens a competing 'limo-nade' stand out of the back of his father's Cadillac limousine - right across the street from Lola's house. Intrigue and spy organizations run amok until closely kept secrets are revealed and Lola must decide what it means to win.
