Sommario/riassunto

"If you know about Monster High, then you know that it is a high school hidden away from the Normie World and filled with creepy-cool monsters. But how did those monsters get there? They were rescued by three ghoulsfriends: Draculaura, Frankie Stein, and Clawdeen Wolf. This is the never-before-told story of how these ghoulsfriends rescued Egyptian princess Cleo de Nile. In this epic adventure, the ghouls face off against angry mummies, escape from giant scorpions, and more as they launch a creeperific rescue mission to bring Cleo to Monster High!"
