Sommario/riassunto	A Colbana Files Prequel The events of this short story take place between A STROKE OF DUMB LUCK and BLADE SONG. It can be read as a stand-alone. For the first time in her life, Kit Colbana's life was going just fine. She had a nice, easy job. She'd managed to escape the not-so-loving attentions of a family who'd rather see her dead than look at her. She had a roof over her head and she didn't have to fight for every little thing she had. Then she finds herself tangled up with a green-eyed witch by the name of Justin. He's looking for somebody and for some bizarre reason, he seems to think she can help. All she has to do is say no, and she can go back to her safe little existence. That's exactly what she needs to do and she knows it. Too bad she's not very good at following her own advice.
