Sommario/riassunto	<p>Re-Release (Liquid Silver Books - Zodiac Pisces - 2006)When dark magick reveals the secrets of a woman hiding from her destiny, only the love of her fated mate will help her survive the coming battle of good versus evil. Rae Morgan presents No Secrets, Book 4 of her paranormal romance series Coven of the Wolf.Sheriff Debby Teague fled to Bear Hollow, Tennessee after saving the lives of Boris Petrov, her destined life partner, and his sister-in-law Selena Jones-Petrov (in Treading the Labyrinth). All she wants is her normal, mundane, non-magical life back, but Fate--and Boris Petrov--have other plans for her. Boris is not happy Debby ran from him, but he understands why she did. But enough is enough. Danger surrounds her in her "safe" little tourist town, and Debby will need him--and the magical ability she denies--to survive.Dark magick has come to Bear Hollow, and its followers don't intend to allow Debby to ignore them--or her own dark magick.Content Notes: Hot, Paranormal, Contemporary, Action, Suspense</p>
