Sommario/riassunto	<p>The last person Alaina wants to ask for help is Isaac. The emotions of the past are just too painful. The last person Isaac wants to see again is Alaina. She reminds him of a past he wants only to forget. But when the balance between good and evil is threatened, it's up to Alaina and Isaac to find a way to work together to defeat the threat. Victoria Smith weaves a haunting tale in For the Love of Isaac, her hot new paranormal romance. When Alaina inherits her grandmother's house, she gets far more than just the eccentric woman's massive knickknack collection. Desperate for help with the increased paranormal activity around her, she calls the one person she thinks can help--despite the memory of the night he turned her down. Isaac is hesitant to help Alaina when he realizes what else she's inherited from her grandmother. He doesn't want to be reminded of his past, but if he doesn't work to resolve it, Alaina will be murdered like his wife and child, and Alaina's own grandmother. Together they must find a way to stop the demonic threat and restore the balance of good and evil, while coming to terms with emotions neither of them thinks they want.</p> <p>Content Notes: Spicy, Fantasy, Paranormal, Ghosts, Magic Romance Fiction, Paranormal Romance Fiction, Fantasy Romance Fiction, Romance Fiction with Ghosts and Hauntings, Romance Fiction with Magic, Women's Romance Fiction</p>
