Sommario/riassunto	<p>Re-Release: (Hearts Afire: November, 11-02-99) Fighting fires runs in Josh Brooks' blood. Setting fires used to be Dylan Anderson's claim to fame. Now the two men must work together to unravel a string of arsons before one of them gets burned. For sizzling passion and suspense, you won't go wrong with The Arsonist's Apprentice by India Harper, the latest addition to the Some Like It Hot Collection. For Josh Brooks, firefighting is in his blood. Unfortunately for him, Dylan Anderson was working the other side of the fire, having served eight years in prison for arson. The two are thrown together against everyone's better judgment when Josh's role in the Philadelphia Fire Department's Fire Investigation Unit and Dylan's role as an insurance investigator bring them together to investigate a string of suspicious fires. Despite Josh's reservations and the long-held belief that firemen and arsonists shouldn't mix, he can't seem to keep out of Dylan's bed. But just when Josh starts to overcome his preconceptions, he becomes Dylan's prime suspect. Losing Dylan and his career are the least of Josh's worries. If he can't find the real culprit, he'll be following in Dylan's footsteps. To prison.</p> <p>Content Notes: Hot, Anal Play, Anal Intercourse, Exhibitionism, Voyeurism, Light BDSM, Non-Sexual Violence, Short MM Scene, GLBT, Contemporary, Uniformed Heroes, Suspense</p>
