about to find out just how different! Join Lori on her quest for love and adventure in *Wild Side*, the exciting paranormal romance from author Laurel Richards. What if becoming a werewolf was as simple as joining a club? Lori has no idea what she has gotten herself into when she and her friend Tina try to join the Lycanthropic Society. She thinks she is applying for membership in an outdoor group, although she really just wants to get close to Dominick. He's the sexy guy whose family runs the Society, and he seems to know things about her instinctively. Lori is even willing to go up against Angelique, her competition for Dominick's affection. But can she handle a man whose love bite draws blood? And what does he mean his nipping her was her initiation?
