Adventure, suspense, and burning passion, Within Fire, Book 3 of H.E. McVay's Predator series, has it all!The only child born of a Predator and a mortal has grown up. The product of fiercely overprotective parents, Zazu Matsumoto sets off on what she fully expects to be the only grand adventure of her life--seeking out an assassin who exists only in legend and story. She never expected to actually find him, much less awaken him and his appetites. Her first adventure could very well be her last as she truly learns what it means to play with fire.Content Notes: Hot, Paranormal, Fantasy, Suspense, Contemporary</p>
