Sommario/riassunto	<p>Mara Lee has penned a thrilling tale of magic, danger, and a contest of wills in Book 2 of her Nikki Reece series, Sin Crossed. From a love triangle to shape-shifters out of control things take a turn for the worse and Nikki is determined she will not break first! Come along for a thrilling read and embrace a heroine strong enough to take control and beat the odds! Life hasn't gotten any easier for Nikki Reece. Her best friend is drinking all her coffee. Her two domineering, alpha ex-boyfriends aren't getting the "leave me alone" memo, and the strongest magical being in the city wants to torture and kill her. Just when she thinks her life can't get any shittier, all hell breaks loose, literally.</p> <p>Content Notes: Hot, Anal Intercourse, Urban Fantasy, Paranormal, Magic, Shifters, Menage</p>
