Sommario/riassunto	One of Russia's greatest writers, Chekhov began his career writing jokes and anecdotes for popular magazines to support himself while he studied to become a doctor. Between 1888 and his death he single-handedly revolutionised both the drama and the short story. Near the end of his life he married an actress, Olga Knipper. He died from tuberculosis in 1904, age 44."The Wife" is one of his classic short stories, not to be missed!
