Sommario/riassunto	William Somerset Maugham, (25 January 1874 - 16 December 1965) was a British playwright, novelist and short story writer. He was among the most popular writers of his era and reputedly the highest paid author during the 1930s. "Of Human Bondage" (1915) is a novel by W. Somerset Maugham. It is generally agreed to be his masterpiece and to be strongly autobiographical in nature, although Maugham stated, "This is a novel, not an autobiography, though much in it is autobiographical, more is pure invention." ^[1] Maugham, who had originally planned to call his novel <i>Beauty from Ashes</i> , finally settled on a title taken from a section of Spinoza's <i>Ethics</i> . The Modern Library ranked <i>Of Human Bondage</i> No. 66 on its list of the 100 best English-language novels of the 20th century. (Excerpt from Wikipedia)
