Sommario/riassunto	<p>Verses of Vrelenden: Book Two Ren Mallorian is finally a hero. He helped Celestrian, the lost unicorn, complete his quest, and he defeated the kingdom's worst enemy, Grimthorn. Now Ren lives in the capital city doing odd quests for the king and his nobles--but he misses Celestrian. One day the king summons Ren and the Prince of Toads, a noble who has taken the role of irreverent sidekick, and tasks them with assembling a team to combat an uprising in the Zombie Kingdom. On their journey across Vrelenden, they gather allies: Discimus, an accomplished wizard and a smug bastard (it's a good thing he's pretty). Jaron A-Dale, the captain of a city guard and an accomplished knight. Acorn, a tiny and mysterious elf girl. And an unexpected and extremely dangerous traveling companion. But is there more to the Zombie threat and its newly raised army of the undead than meets the eye? Ren is having a tough time keeping his head straight, and with Ren and Dish distracted--both by their romance of convenience and the absence of the men they love--this may prove Ren's most dangerous quest yet.</p>
