Livello bibliografico	Monografia
Sommario/riassunto	Acclaimed as one of the best works available on feminine psychology from the time it first appeared in 1933, "The Way of All Women" discusses topics such as work, marriage, motherhood, old age, and women's relationships with family, friends, and lovers. Dr. Harding, who was best known for her work with women and families, stresses the need for a woman to work toward her own wholeness and develop the many sides of her nature, and emphasizes the importance of unconscious processes.

3. Record Nr.	UNINA9910162672903321

Descrizione fisica	1 online resource (210 p.)
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	<p>Deep Secrets and Hope: Book One Sixteen-year-old Evan Granger has no problems with being gay. Despite his mother's objections, he wears nail polish and makeup to school and pursues his goal of becoming a professional drag queen. TV drag star Taffy Sweet gives encouragement and Evan's cousin Holly tries to protect him, but school bullies abuse him so badly because of his sexuality and the girly way he dresses that he ends up at the hospital emergency room. After that, even his new crush, a closeted football jock named Moe Garcia, is unhappy about Evan's choice to live his life openly gay. But even in girly clothes and nail polish, Evan is a force to be reckoned with, and he soon shows the bullies--and everyone else--that beating a drag queen up does not mean the queen is beaten down.</p>
