Sommario/riassunto	At seventeen, Charles "Trey" Maddox Taft III has had better years. His father ran off with a younger woman, and with no alimony or child support, his family has to move from affluent Coconut Grove to a rough neighborhood near Miami's Little Havana. It's a completely different world, but Trey is determined to make the best of a bad situation, if only no one finds out he's gay. On Trey's first day in his new territory, he's saved from being run over by local bad boy Bobby Cruz. Bobby is an unabashedly gay, sexually active high school senior who's tired of one-night stands. After meeting preppie Trey, Bobby decides to try something new. Things go well at first, but being in a relationship is tricky and might take more work than either wants to do.
