Sommario/riassunto	New York Times bestselling author Shirley Jump takes a bow with the final novel in her addictive Sweet and Savory Romances series. Say Cheese Blacklisted from every modeling venture in New York City, Madison Worth finds herself chasing a second-chance gig on a dairy farm in rural Massachusetts: spokesmodel for the Cheese Please Company. But nothing can prepare her for the handsome, six foot-two owner, Jack Pleeseman. With the death knell tolling for his 160-year-old family business, Jack is banking everything on his devastatingly beautiful top-model hire-but "everything" just took on a whole new meaning. His ex-wife wants to whisk their daughter off to Europe and he must fight for custody, all while trying to ignore Madison's mile-high legs. Determined to avoid the sizzling sparks and oh-so-hot kiss they shared, Madison and Jack work together to put Jack's business back on the map. That is, until a chance to redeem her career lures Madison back to New York City-at the cost of losing Jack forever. Now Jack is left to choose-everything he has worked for-or the woman he has waited a lifetime to love. *Special bonus material: Recipes written by the characters inside * *This title was originally released as Pretty Bad in 2007.*
