Livello bibliografico	Monografia
Sommario/riassunto	"There are extraordinary moments...[The book] describe[s] the tension between the endless stress and the fantastic learning curve of his 'Year-long Night'. --Washington Post "At some point in each of our lives, it's likely we'll find ourselves a hospital patient. Reading [this book] will go a long way in preparation for that event." --Cleveland Plain Dealer "A Year-long Night provides a fascinating tour of the culture of a hospital...[Klitzman's] voice is even-keeled, subtly critical, and observant." --David Leavitt
