Sommario/riassunto	Nehemiah: Building out of the Rubble is a book about restoration. No matter how hopeless or helpless your situation may seem, God is always in the business of complete repair. The power of the Cross is that it is a complete work, so there is nothing more to be done in order to experience absolute fullness in every area of our lives. Colossians 2: 9-10, 13-14 says, For in him dwelleth all the fulness of the Godhead bodily. And ye are complete in him, which is the head of all principality and power . . . And he quickened us] together with him, having forgiven you all trespasses; Blotting out the handwriting of ordinances that was against us, which was contrary to us, and took it out of the way, nailing it to his cross. As you read Nehemiah, remember that no situation-no relationship-nodisease-no prisoner-is too far gone or binding for God to rebuild, heal, or set free.
