Sommario/riassunto	<p>A Holy Ghost revival is the best hope for the deep spiritual problems that face our world. The Church is supposed to be a lighthouse that points the way to Heaven in a dark landscape, but when the Church loses its vibrancy and its light grows dim, our focus shifts from where we are going to where we are, and the idea of eternal judgment loses its urgency. Without a bright shining light to point us in the true direction of Life, we can only stumble about in darkness. Only a Holy Ghost Revival can light those fires in our lighthouses to illuminate the path to Salvation. It is written that there will be one last great revival just before Jesus Christ returns - the greatest of all time. It is in preparation for this last great revival that this booklet is written. All fires must have a match to start them. My prayer is that this booklet will be a match to help ignite a blaze of revival that will burn around the world.</p>
