Sommario/riassunto	Flopsy Parker was dropped off at a North Carolina shelter in the fall of 2010. By 2011, after he had trained his mother Gretta to be his ghost writer, he was inspiring people on Facebook with his message of adoption and helping other rabbits around the world that needed homes. This delightful, heartwarming, and real-life story, as told from Flopsy Parkers point of view, is sure to tweak your bunny bone. The \$7.50 Bunny That Changed the World is a tribute to his life, the people he inspired, and proof that even the smallest of creatures can live the biggest of lives.
