Sommario/riassunto	An awesome read for children on Christmas Eve as everywhere they are waiting for Santa to arrive. And it will even give a whole new meaning to that mouse that may be in your house! From his little mouse house, Billy watches the commotion and excitement as Christmas draws near. When he spies a cheese snack that had been left for Santa, Billy must choose whether he will be "naughty or nice." When Billy does the right thing and doesn't take the cheese, Santa rewards him with a special surprise on Christmas morning. This was an easy read, showed Santa doesn't forget anyone, and makes a great bedtime story.
