Sommario/riassunto	The Commonwealth: A New Look outlines the vast amount of cooperative endeavors carried out under the Commonwealth umbrella. This book begins by introducing misconceptions held about the Commonwealth and a brief account of its evolution from the British Empire. The conferences of Commonwealth leaders from the 19th century until 1975 are also described. This compilation discusses the Commonwealth cooperation programs in education, youth, law, health services, and science. A background of the work of the Commonwealth Parliamentary Association is likewise deliberated. The last chapter of this text
