Sommario/riassunto	"Each title in this colorful series discusses an issue that either is part of students' lives or is likely affecting someone they know. Presenting multiple sides to current issues, each title distinguishes itself through its dedicated focus on concerns that today's middle and high school students deal with regularly, such as underage drinking and obesity. Moreover, Issues That Concern You recognizes the intimate

relationship between its subject and reader as it weaves together different points of view. Backmatter offers facts and "self-help" style advice to young people grappling with the issues"--

"Issues That Concern You: Dress Codes in Schools: This series provides readers with information on topics of current interest. Focusing on important social issues, each anthology examines its subject in a variety of ways, from personal accounts to factual articles"--
