Livello bibliografico	Monografia
Sommario/riassunto	When things start to change at the Little Small Press, the books in the warehouse go into a panic! "What is going on?" "What will happen to us?" The books are curious, then worried, then scared. "I don't want to go to the dumpster!" frets one book. "Oh, grow a spine!" grouses another book. What will happen? What does happen? Read this book and learn the story behind THE DAY THE BOOKS CRIED. Books have feelings too, you know. Full-cover illustrations have quirky humor and personality that will delight young readers!
