Livello bibliografico	Monografia
Note generali	Includes index.
Nota di contenuto	Before you begin -- Breakfast and brunch -- Snacks, dips, and sides -- Main courses -- Desserts -- Appendix: developing your own skillet recipes -- Conversion tables.
Sommario/riassunto	"Discover a new world of cast-iron cooking. From Dan Shumski, who last applied his out-of-the-box food-loving sensibility to Will It Waffle?, here are 53 surprising, delicious, and ingenious recipes for the cast-iron skillet. Savor the simplicity of Toast with Olive Oil and Tomato, because you just can't achieve that perfect oil-toasted crust in a toaster. For Homemade Corn Tortillas, no special equipment required--use the pan to flatten and cook them. (Then serve your tortillas with Single-Skillet Carnitas or Charred Tomato Salsa--or make Chilaquiles.) Take popcorn to another level with clarified butter. Enjoy a Spinach and Feta Dip that stays warm from the residual heat of the pan. Plus pastas that come together in one skillet--no separate boiling required; perfectly charred roasted vegetables; beautiful breads and pizzas; and luscious desserts from a giant chocolate chip cookie to the sophisticated Layered Crepe Torte with Dark Chocolate and Raspberry Jam. Includes detailed information on buying, seasoning, and caring for your cast-iron skillet--and turning it into a nonstick kitchen workhorse"--
