Sommario/riassunto	Die AutorInnen des zweiten GENDER-Sonderhefts untersuchen Paarbeziehungen als zentralen Ort, an dem Ungleichheiten zwischen den Geschlechtern (re-)produziert, kompensiert oder verringert werden. Im Sinne eines ‚Doing Couple‘, ‚Doing Gender‘ und ‚Doing (In) Equality‘ spielen dabei Anforderungen der Erwerbsarbeit, sozialpolitische Rahmenbedingungen und Aushandlungsprozesse der Paare eine wesentliche Rolle. Insgesamt ist dieses Heft interessant für Forscher und jene, die sich mit dem Thema Partnerschaft, Erwerbsleben und Elternschaft beschäftigen. Die Artikel in dem Buch sind lesenswert, wenn auch aufgrund ihres wissenschaftlichen Anspruchs eher für eine bestimmte Zielgruppe gedacht. Kath-maennerarbeit.de, 25.06.2014

Sommario/riassunto	"For readers of Victoria Aveyard and Kiera Cass comes a darkly fantastical debut set in a modern England where magically gifted aristocrats rule--and commoners are doomed to serve. NOT ALL ARE FREE. NOT ALL ARE EQUAL. NOT ALL WILL BE SAVED. Our world belongs to the Equals--aristocrats with magical gifts--and all commoners must serve them for ten years. But behind the gates of England's grandest estate lies a power that could break the world. A girl thirsts for love and knowledge. Abi is a servant to England's most powerful family, but her spirit is free. So when she falls for one of their noble-born sons, Abi faces a terrible choice. Uncovering the family's secrets might win her liberty--but will her heart pay the price? A boy dreams of revolution. Abi's brother, Luke, is enslaved in a brutal factory town. Far from his family and cruelly oppressed, he makes friends whose ideals could cost him everything. Now Luke has discovered there may be a power even greater than magic: revolution. And an aristocrat will remake the world with his dark gifts. He is a shadow in the glittering world of the Equals, with mysterious powers no one else understands. But will he liberate--or destroy?"--
