ISBN	1-62536-026-6
Descrizione fisica	1 online resource (368 p.)
Disciplina	813/.54
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	<p>Praised by Andre Norton, among others, as an "excellent combination of science fiction and fantasy," The Blessing Papers concerns a post-apocalyptic future set in a fictitious Ireland (Imram), in which the ability to read and write has almost been lost and strange images and religions reign. The action and adventure of the three novels dramatizes through many twists and turns the rediscovery through the Blessing family of an almost forgotten past as portrayed in the final recovery of the hidden Blessing Papers themselves.</p>
