Nota di contenuto	Strategic overview and the war in North Africa, 1940-1942 -- Geography, terrain, and the invasion -- Commanders and combatants -- The amphibious landings -- Tunisian warfare and weapons -- Epilogue.
Sommario/riassunto	In November 1942, eleven months after Pearl Harbor, the United States launched Operation Torch, the invasion of Morocco and Algeria. Overwhelmingly successful against Vichy French forces, the Americans next shifted their focus to Tunisia, where they battled the German Afrika Korps at Kasserine Pass, El Guettar, and Bizerte.
