Sommario/riassunto	"Hone your drawing skills and you eye for design by learning to draw in black and white. Working with only positive and negative lines and shapes keeps the focus on the basics: composition, balance, and harmony. And using white and black gel, ink, and paint pens on black, tan, and gray papers allows you to experience drawing in a whole new way! Drawing in Black & White is a clever drawing and design book that contains 36 inspiring exercises, a gallery of artwork, and 16 black, gray, and tan sheets for drawing, doodling, and experimenting. You'll find lessons on drawing, pattern drawing, drawing with cut paper, and simple collage. Learn to see your drawings a new way by drawing in black and white!"--
