Whose crisis? / Chris Thornhill -- Locating Brexit in the pragmatics of race, citizenship and empire / Gurminder K. Bhambra -- Globalization, nationalism, and the changing axes of political identity / Colin Crouch -- A divided nation in a divided Europe: emerging cleavages and the crisis of European integration / Gerard Delanty -- The EU and Brexit: processes, perspectives, and prospects / Tim Oliver -- The impossibility of disentangling integration / Antje Wiener -- No exit from Brexit? / Simon Susen -- Critical theory, Brexit and the vicissitudes of political economy in the twenty-first century / Harry F. Dahms -- European Union versus European society: sociologists on "Brexit" and the "failure" of europeanization / Adrian Fawell.
Sommario/riassunto	Brexit traces the implications of the UK's projected withdrawal from the EU, placing short-term political fluctuations in a broader historical and social context of the transformation of European and global society.

This book provides a forum for leading Eurosociologists (broadly defined), working inside and outside the UK, to rethink their analyses of the European project and its prospects, as well as to reflect on the likely implications for the UK.
