

1. Record Nr.	UNINA9910162809603321
Autore	Wan Simon
Titolo	Love and a Dozen Roast Potatoes
Pubbl/distr/stampa	Urbane Publications
ISBN	1-910692-91-3
Descrizione fisica	1 online resource (288 p.)
Disciplina	823.92
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	'The strongest image from the first few years of my life is of a shining beacon of rebellion and beauty: Princess Leia. She was sassy, and she knew her way around a blaster. We're starting from the very beginning, so no hot sauce until I'm at least 16, and when I say hot sauce I mean sex.' Such is the life of our hero as he negotiates the twin ambitions of finding the love of his life and becoming a superstar, and taking 'the one' to his Mum's for her famous Sunday roast. It s a life tale of comic disasters, sex (lots of sex), relationship woes and discovering your nakedness plastered over social media. Warm, funny, very hip, this is David Nicholls with the naughty bits on display for the world to see.
